ROXY

DRIPPING IN GOLD!

Welcome golden girls, who happily have little in common with the 1980s sitcom coffin-dodgers. They're *sexually* incontinent, but that's as far as it goes. And if their eyes are filled with lust, it's not for love of the yellow stuff. "It's nice to dress up in, but I prefer a solid old cock!" grins Roxy. "I'd rather have a pearl necklace than a gold one!" sighs Kacie. "The memory of a chestful of spunk will live with me forever!"

Cathy, Surrey

Giving lip

When I brought back red-lipped Cathy for a shag on my rug, it was probably the best one-night stand of my life.

Her boobs were big, but firm and high even without a bra. Her knickers came off next – she had a neat little minge, dark and trimmed. Then she unclipped her sussies and rolled her stockings down.

As I tongued her nipples, she started playing with my cock, and guided my hand to her cunt.

My fingers sank inside – she was so tight and juicy – then she pushed me on my back and started straddling me. She looked like one of those ultra-sexy pin-up girls, all creamy thighs and perky, jiggling tits. I was ready to shoot my load even before she put my cock in her cunt and squeezed me tight.

The cream poured out of her hole

She started cumming within seconds of my fingers touching her clit, her inner muscles tightening even more around my prick. She arched back, till she could reach my balls for a fondle, which only sunk me in deeper.

She rode me hard and, knowing I wouldn't cum too fast the second time, I literally laid back and enjoyed it. She moaned at me to cum for her, to cum really hard, and I obliged, blowing a massive load deep inside her.

She couldn't resist one last orgasm, pulling up off my hard-on and frigging herself over it, so the cream poured out of her hole. Then she gave me a massive lipstick kiss.

It was too much to hope that this was more than just a one-night stand, but we've met a couple of times since for fucking back at hers.

Adam, Surrey.

Free pussy parking

The other day I double-parked and came out to find a female traffic warden about to give me a ticket. It was a shit end to a shit day, so I just let her get on with it.

She seemed a bit surprised I wasn't arguing – and so was I when she handed me a piece of paper reading, "I'll let you off this time!" with "Anna" and her mobile number at the bottom.

Later than night I called her to thank her, and she said I could buy her a drink if I was really grateful. I said, "As long as you wear your uniform!" just for a joke. She told me to pick her up at her place.

Good thing it was free parking outside her house – she opened the door wearing an old-fashioned warden's uniform. Well, sort of! She'd

customised it – low-cut tight jacket with a red bra under it, high skirt split up to the hip and stockings and sussies. And a sexy peaked cap, of course. She said I hadn't got off completely scot-free with the double parking – I'd still have to pay a forfeit.

I followed her through to the kitchen – the skirt was short enough that I could see the bottom half of her arse-cheeks, clad in red knickers to match the bra. Then she sat me down in a dining chair.

I asked was she maybe a bit obsessed with work, bringing it home like this. She said not to panic, she'd made the outfit to wear for an ex who'd been turned on by what she did for a living. In fact, he'd been a bit too obsessed with the domination thing, which was why she'd dumped him!

She obviously got off on roleplay, though – she strutted forward so her crotch was right in my face, had me lick her pussy through her panties. Meanwhile, she pulled her tits free, too, and started fondling them.

I licked her slow, through the fabric first, then I pulled it into a bunch at the front, so her shaved lips sprung out the side. As I licked them, I sawed the silk against her clit, pulling it tight into her clit and crack.

As her juices started to soak her gusset, I whipped it to one side so I could eat her out properly. She angled her cunt and pulled it open with her hands on either side. First, I lapped along her slit, then I got my tongue deep into her creaming hole.

As I tongued her and she rubbed her clit, she told me to get my cock out. I half-ripped open my jeans and was already hard when she put her hand down. Then she squatted onto my lap, taking me deep inside her.

If this was her idea of teaching me a lesson… Her pussy seemed to be sucking and massaging my dick as she ground on top of me in circles, and I'm not sure who liked it better when I got a mouthful of tit. My prick was solid in her cunt and she was yelping out her own pleasure.

We really started to go at it now, Anna smacking her crotch onto mine while I squeezed her boobs hard. Then she lifted her feet off the floor, letting me take her weight and plunge in as her pussy came around my cock and I spoodged my load.

We never made it out for a drink. But while I necked a beer from the fridge, she asked me if I'd fancy her out of uniform. I think my hard-on answered that one!

Jim, Doncaster.

Cockless pair

Things haven't been great for me and my best mate Penny recently - no cock to speak of. We're also skint, so we decided to cheer ourselves up with a bit of a pampering session.

Pen stripped off for a massage on a lilo on the kitchen table, which was great but I used about three times as much oil as I should have. My hands were sliding all over the place, including where they shouldn't have, and which she was finishing off with a foot massage.

My foot was in her lap, and I realised my heel was right up against her mound as she played with my toes. I don't think she even knew she was doing it, but when I started pushing against it, just really gently, she seemed to like it.

Soon I stopped being sneaky about it – I was kneading it against her and she actually parted her thighs, just a tiny bit, so it slipped further down. It must have been pressing her labia against her clit.

when she tried to roll over on her back, she nearly slipped off.

She was topless and laughing so hard her tits were jiggling about all over the place and, for a joke, I grabbed them and gave them a rub, which just set her off even more.

Nothing happened between us until later, though. Pen had been giving me a pedicure,

A couple of seconds later she looked up at me, like she couldn't quite get her head round what was happening. Our eyes locked, and I started pumping my heel harder against her. Just when I thought she might freak out, she spread her legs even wider and used her hand to move me against her.

I soon realised just how much this was doing for her – I could feel how warm and moist her cunt was against my foot through the gusset of her knickers.

I pointed my big toe and used it to pull on the elastic – Pen took the hint and yanked it to one side. Then she grabbed my foot and started playing my toe up and down her slit. Just as I wondered how far this would go, she pulled on it, so my toe sank right into her pussy.

I'll admit it started feeling weird at that point – there I was with my big toe jammed right up my best mate's cunt as she fucked herself with it. Her juices were running, warm and sticky, down my sole and she was moaning away like she was on the edge of her first-ever orgasm. But if it felt good for her…

I just decided to join in the fun, squirting massage oil on my fingers and sinking them into my own cunt. I always tremble slightly when I'm getting close to cumming, and Pen seemed to like the way my foot was shaking against her slit.

I realised that what she was doing to my foot was getting me there quicker – the feel of her hot hole clenched around my toe was such a turn-on.

Pen was first to cum and I yelped as she pulled my foot hard against her crotch. At last my toe slipped out, soaking wet, and she brought it up to her mouth so she could suck on it. That's what really did it for me – I moaned at her not to stop as I fingered myself hard and fast, juices flowing out of me as I wanked myself to orgasm.

We didn't sleep in the same bed

She moaned and came as her juices ran down my feet

that night, and we haven't talked about it either. I wouldn't say no, but I've been fantasising more about foot sex with a man.

I love the thought of rolling and rubbing a big, thick cock in between my soles, then having it spunk all over my perfectly pedicured toes!
Nessa, Coventry.

Randy fellers

As I parked the car to walk the dog, I noticed a parcel delivery van with a guy sitting reading a magazine.

He looked up as I walked past and I didn't notice him get out his van a few seconds later and follow me at a distance.

When I got to a clearing in the forest I found a pile of logs that had recently been piled up so I let the dog off the lead and sat down.

It was then I noticed the guy half hiding behind a tree. I wondered if he had spotted me in *Escort* before.

I thought I would have some fun with this guy, so I slowly spread my legs apart and started to caress my tits through my top until my nipples were rock hard.

I slipped my tits out of my top and carried on squeezing and pulling at my nipples, making them bigger than they were before.

I noticed the guy was furiously wanking his ample cock.

I pulled my jeans down and showed him my shaven cunt which I slipped a finger over my now wet and hard clit.

I was getting so excited at the thought of this guy fucking me that I hadn't noticed the two tree fellers who had been watching me give my little show.

I was startled when one of them, Mark, said, "Nice arse, babe. Does it need a good seeing-to?"

The other tree feller, Peter, had moved towards me and his cock was now just in front of my mouth. I started to lick the end of his cock before I took it deep into my mouth.

The guy who had been wanking behind the tree, Steve, was now with us. He bent down and firmly squeezed my tits, as if he was milking me like a cow till I grabbed at his cock.

I alternated between Steve's and Mark's cock, sucking on each rigid pole of flesh and wanking them off together.

It wasn't long before they were both ready too shoot their load.

I took Mark into my mouth just as he pumped his jizz down the back of my throat and I guided Steve's cock to my tits and it wasn't long before he came all over them. Next, they took turns fucking my cunt and arse until both my holes where filled with their cum.

When my husband found out what I had done I ended the day with a good spanking and another good fucking.

KITTY

19-year-old Kitty was discovered in a bar in Winchester, dancing on a table with no knickers on. Beer goggles and general dinginess meant we couldn't get a proper look so we invited ourselves round to hers the next day for a close-up. Pink, puffy and perfumed, it looked every bit as tasty as it had while being dipped into the foam on our pint of lager! Cheers, Kitty!

Lilo lesbo

My bisexual girlfriend Josie is the best fuck I've had, male or female. She's adventurous, and kinky and she brings out that side of me too.

Recently we went on holiday and as we swam in the hotel pool, we both got much the same idea at the same time. Josie reckoned we could try a stand-up fuck with the water taking my weight.

Waiting was the worst part – even after the pool lights were switched off, we thought we'd better leave it an hour before sneaking in. Now safely in the pool-room, we shrugged off our bathrobes – I was starkers under mine, while Josie was wearing our favourite strap-on.

We jumped in the deep end, treading water – I just loved the cool swish of it against my pussy. We kissed, Josie's dildo brushing against my body and I asked her what we should do if we got caught. We could probably wing a bit of skinny dipping, but how she'd explain a big rubber cock sticking out of her crotch I wasn't sure!

This spurred us on a bit – we moved up to the shallow end till Josie was in neck-deep. She kissed me and felt up my very floaty tits, then gave my cunt a bit of a tickle too. I was quite juicy down there, but she'd lubed the dildo with KY jelly in case.

Arms round her neck, I put one leg round her waist, giving her enough access to penetrate my pussy. The dildo felt really snug in me, and now I clasped both legs around her, taking the entire length of it. In fact I was taking it so deep, I could feel her full-bushed pussy brushing up against my shaved one.

She grabbed my arse, groping it and pulling me even harder onto her, then we just fucked in the water. It was even better when she backed me up to the side of the pool, bracing me back against it so she could do me harder.

Moving position so that my tits now floated on the surface, she bowed her head to suck on them. All the while she was shagging me with the strap-on, the grease on it a bit sticky as well as slippery, which just made it feel even better. I had her by the shoulders, fucking back onto it just as hard.

As she pulled out, I felt a cool, refreshing rush of water into my hot snatch. We had another bit of a swim, then nipped back to our room after thinking we heard someone walking by, a bit too close for comfort!

Cathy, Gateshead.

Older and bolder

The first time I had two cocks was at a friend's daughter's wedding. I was "adopted" by two guests, Matt and Alan, who obviously liked the older lady.

I was flirting with them like mad, and they were lapping it up. They bought me drinks all night and as we were staying at the same hotel, we shared a cab – and ended up raiding the minibar in my room.

Matt was totally smitten by me. When Alan went to the loo, Matt just grabbed me for a snog. I gave as good as I got, wondering what Alan would think, when suddenly I felt a hand stroking my back. It wasn't Matt's 'cos both of his were welded to my arse!

I wanked him with my big knockers

Matt didn't seem surprised or bothered, and it struck me that maybe they'd planned this! Matt pulled me down onto the bed and Alan nuzzled up behind me.

I decided to lie back and let them have their dirty way with me! We all stripped off and Matt sucked my tits.

Alan was teasing my pussy, fingering my folds and creases but not rubbing hard enough to get me cumming. I don't think I've ever felt as relieved as when he went down on me.

Now Matt was straddling my chest, sticking his rearing prick in between my tits. Now I wanked him with my knockers, moaning as he deftly teased my stiff little nipples.

Fuck it's Friday

This is my mate Helene, who I met at work. After a few drinks in a local pub one Friday we got a cab back to hers.

Back home, she put on loud soul music and I went down on her puffed-up clit.

She was so juiced I got four fingers up her, my palm flattened against her bud to rub it while I frigged her. Meanwhile she carried on sucking me, in deep or with her tongue lashing against my knob-end.

She reached down, gave my cock a few more tugs then put it up her cunt. It felt even more lusciously juicy than when I'd fingered her. I tried to pace myself, fucking her to the slowish beat even though she seemed to want me to go in harder than that.

She was bucking and wriggling her arse, fucking me as much as I was doing her, nails scratching away at my shoulders. So I pushed with my crotch, as deep between her legs as I could go, so I could keep it at a slow grind.

That did it for her and she started cumming, squeezing at first then pulsating around my shaft.

I put everything I had into

She pulsated around my grinding shaft

that shag – all my strength, all my control. She cupped my face, saying she liked to see how a bloke looks when he cums, but I wasn't going to show her just yet.

OK, maybe I got a few more strokes out of it but when the throbbing and twitching of my prick got too much to handle, I just rammed in, groaning as she clamped her thighs tight around mine, holding me deep inside her.

She didn't leave me long to recover till she was after my cock again, teasing the tip of it with her lips as she wanked the shaft, scratching at it gently with her nails.

Then her other hand went down to my balls and she

Alan was still licking me, slowly, then suddenly he pulled my legs up and back – in fact, Matt was able to grab them and pin them under his arms, holding me in position.

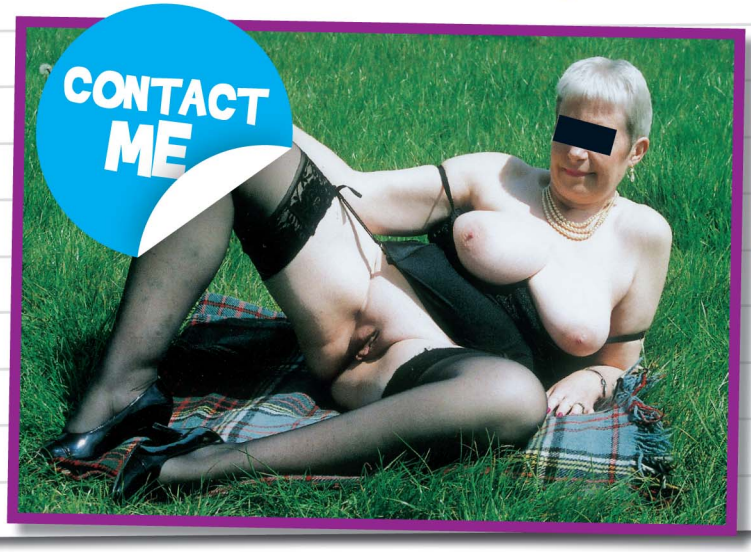
Every lick and rub on my clit seemed more powerful now. Then Alan, thumbing my clit, slipped inside my hole. He pushed in with his full weight and Matt was banging my tits hard now, my cleavage a wet channel of pre-cum and his swollen helmet popping out of the top of it.

Now Alan's fingers were circling on my clit. I let out a cry, and Matt let me take his dick inside my mouth. I sucked on it hard and he pulled back out, slapping his spurting stiffy against my tits.

Alan finished me off. I came hard and seconds later felt Alan's wet length slap on my belly as he popped his wad too. I just lay there playing with their spunk, eating it off my fingers.

When I checked out later, they'd paid my bar bill and left me a bottle of champagne. I drank it in bed, playing with my sex toys!

Jackie, Nottingham.



Tap that arse

My neighbour's a young lad of about 20 who's always fancied me. But I had to wait until his parents went away for the weekend to have my fun.

On the pretence of needing some help fixing a leaky tap, I asked him round, gave him a beer and threw myself at him on my leather couch.

He was surprised but up for it, rapidly pulling off my clothes. My tits were squashed up against the leather and I liked the sexy smell of it too, then he entered me, sliding between my arse cheeks and into my pussy, his hands groping my tits.

The only problem was that I couldn't play with my clit, so he got in behind me, raising my bum up slightly.

But he got a bit distracted, dabbing pussy juices on my arsehole and having a little play with that. When he started pushing a finger in, I told him it was okay, but if I said no or stop, he'd have to immediately.

He patted my arse to show he agreed, then slowly started pushing his cock inside it.

He'd felt pretty big inside my pussy, and now it seemed so huge I wondered how the hell I was able to take it. But he just carried on, fucking me slowly and playing with my clit, until I came seriously hard.

I thought he'd start thrusting faster now – he sank in deep but just ground around, kneading my cheeks on either side of his shaft.

I didn't have a clue that he was near to cumming – he just kept up the same, steady rhythm, then I felt a wet explosion in my arse as his spunk spurted out.

I groaned and came hard, both of my holes spasming.

You know, I never did get that blooming tap fixed!

Candy, Norfolk.

I groaned and came hard, both of my holes spasming

gave me the best blowjob I'd had in so fucking long. It started off just with her wanking my head against her tongue, then gradually she sucked me in deeper, sealing her wet lips around my shaft.

When she felt I was on the edge of cumming she let me slip out, then said she'd never allowed her ex to spunk in her face. And wouldn't it be awful if she let me do it?

The only thing stopping me was her thumb over my love eye, and when she took it off and wanked me fast, I just let rip, icing her face with jizz. She looked so fucking pleased with herself, like mission accomplished!

Paul, Brighton.
